The BEST Way to Make Great Cocktails At Home!

We believe that everyone should be able to make a great drink. So we created our all-natural 1pt Cocktail Infusion Packs, which quickly infuse into any spirit and easily combine with a few kitchen pantry ingredients to create simple bar-worthy cocktails at home that customers are eager to enjoy... and proud to share!

Every QR-content-enabled 1pt Infusion Pack is non-liquid, nonregulated, light-weight, and ready to ship or sell anywhere. Made entirely from natural ingredients at FDA-approved facilities in the US. Short supply lines mean low minimums and flexible replenishment built to suit your demand and margin requirements. Trusted by spirit suppliers, tasting rooms, event planners, and premier retailers across the United States and around the world.

GINGER SOUR

IPT COCKTAIL HOUR

GINGER SOUR

Harnessing the power of digital, customers scan pack-embedded QR codes to access simple infused cocktail recipes, handy How-To's, and cocktail hour playlists on Spotify to enhance the cocktail experience.

SCAN (OR CLICK) TO TRY NOW!

Cocktails are about more than just the drink. QR code content can be customized for larger orders to connect your customers with not just their 1pt recipe, but your branded content as well. Ask your salesperson for more info.

NOTHING BUT NATURAL

Blended only from highest quality herbs, spices, florals, botanicals, and teas (no sugar, dairy, gluten, GMO, artificial flavors, or preservatives) and packaged at FDAapproved facilities in the USA.
