

LEVI COATRACK

The Levi coatrack is one of our most distinguished pieces. Its design is inspired by organic forms of nature and it is also well-thought to be built with long-lasting quality. The contrasting woods make the design playful yet elegant. It is constructed with round mortise and tenon joints. It comes in two sizes, so you can choose which one is the best option for your space.

It can be made in any of our wood options. Featured here in Walnut with White Oak details.
