INSTRUCTIONS

1. This template shall be used by the data subject where he or she does not wish to be subject to a decision based solely on automated processing, including profiling, which produces legal effects or affects him or her.

It shall also be used for the purposes of the processing being based on the conclusion or performance of a contract, or on the explicit consent of the data subject, in order that the necessary measures are taken to safeguard his or her rights and freedoms and legitimate interests, the right to human intervention and to enable him or her to put forward his or her point of view and contest the decision.

2. It will be necessary to provide a photocopy of the ID card or equivalent document that proves the identity and is considered valid in law, in those cases in which the person responsible has doubts about his identity. In the event of acting through legal representation, the ID card and document accrediting the representation of the representative must also be provided.

3. The Spanish Data Protection Agency does not have your personal data and can only provide the contact details of the Data Protection Officers of the entities obliged to appoint one who have notified their appointment to the Agency. It can also provide these contact details for those entities that have voluntarily appointed a Delegate and have communicated it.

4. The owner of the personal data undergoing processing must contact directly the public or private body, company or professional of which he/she presumes or is certain that he/she holds the data.

5. In order for the Spanish Data Protection Agency to process your complaint in the event that your request to exercise your right not to be subject to automated individual decisions, including profiling, has not been answered, it is necessary that the data controller has not responded to your request within a period of one month, and provides any of the following documents:

- the refusal by the controller of the right not to be subject to automated individual decisions, including profiling.
- a copy, stamped by the controller, of the form requesting not to be subject to automated individual decisions, including profiling.
- a copy of the model application form for exercising the right not to be subject to automated individual decisions, including profiling, stamped by the post office or a copy of the receipt for sending it by registered post.
- any other means of proof provided by the controller from which receipt of the request can be deduced.
