Contact point of purchase for service.

## Installation Instructions

To install the fixture to the track:

- Step 1. Pull back the adapter latch
- Step 2. Insert the contact assembly into the track.
- Step 3. Rotate the fixture neck 90° so the contacts on the fixture align with the contacts on the track
- Step 4. Release the adapter latch allowing the fixture to lock into position (Fig. 1)
- Step 5. Turn the track head connector to 'ON' (Fig. 4)

To remove the fixture:

- Step 1. Turn the track head connector to 'OFF' (Fig. 4)
- Step 2. Slide the adapter latch down until latch is clear of the track channel opening.
- Step 3. Twist the fixture neck and turn (90°) until the contact assembly is free.
- Step 4. Remove fixture from track.
