

DOME BAY DIRECT/INDIRECT HIGH BAY FOR NATATORIUMS & INDOOR SPORTS FACILITIES

Description

The **Dome Bay** is an extremely versatile, Direct /Indirect, high-performance LED sports high bay that is ideal for both outdoor and indoor sports lighting applications. With its flexible, modular design the Dome Bay is specifically engineered to illuminate swimming pools, tennis and soccer domes, gyms, arenas and more

Features

Salt spray anti corrosion tested to IEC60068-2-11,ISO4628-3, ASTM B117 standards for Natorium applications. Anti-corrosive finish is standard. Ultralight design with aluminum construction makes installation and maintenance easy. High luminous flux and rotatable modules up to 200° ensure full coverage and maximum visibility. Available built-in remote microwave sensors make Dome Bay the ideal choice for a variety of sports lighting applications.

Dome Bay is IP65 rated, operates at -40° to 60°C.

CRI: RA>80

Multiple optic choices available.

Module rotatable 200°

Ambient Temperature: -40° to 60° C (-40° to 140° F)

IK09 Rating

Electrical Specifications

Available Wattages: 100W, 150W, 200W, 240W, 300W, 400W, 480W

Power Factor: >0.95

Standard 0-10V dimmable

Efficiency: 150lm/W

Available Voltages: 100-277VAC (UNV), 200-480VAC (HV)

610mm / 24" Power cable standard

IP65 Rated

Certifications and Warranty

DLC and cETL listed with 6 year warranty.
