

# REECO

## CCT SELECTABLE LINEAR SERIES

### Description

The **Reeco** linear **CCT SELECTABLE** LED Series offers premium light diffusion over a light-weight, impact resistant opal polycarbonate lens with different mounting options. This ultra-efficient, versatile LED linear fixture can meet the challenges of restaurant, retail, industrial, warehousing, and task lighting applications.

Standard colours are black and white.

Seamless, continuous run connections. All connectors are lit (down only).

It can create a functional yet relaxing atmosphere and provide an even wash of light within a space. Low profile design optimizes shipping, storage, and handling. Available in two different luminous ways with Down (100%) and Up/Down (30%/70%).

### Features

CCT Selectable options for 3000K / 4000K / 5000K.
