### VEGANDULGENCE® SERIES

Gone are the days when vegan implies a sacrifice. Every January we proclaim the virtues of nature by developing incredibly indulgent, creamy, extravagant ice creams that are totally dairy-free. That's what Vegandulgence® means to us: 100% plant-based, 100% decadent. One year ago we made a commitment to keep at least 20% of our flavors vegan year-round, so everyone can enjoy unbelievable ice cream, no matter their diet (and it's better for our planet to boot). This isn't just dairy-free ice cream—this is something you've never experienced before.

#### LEMON CHEESECAKE CRUMBLE (V)

Creamy cashews are carving out a niche in vegan cheese culture with a lush texture you won't believe is dairy-free. We blend the loveliest cheeze around with coconut yogurt and lemon zest for a tart cheesecake swirl, then make an almond crumble reminiscent of graham cracker crust. The satin cheesecake gets layered into a salted vanilla coconut ice cream.

**Made with Heidi Ho! Organics**

*Contains: Tree Nuts (almonds, cashews, coconut)*

#### BANANA & PEANUT BUTTER TOFU PUDDING (V)

A study of the amazing silkiness of tofu. Our kitchens blend the traditional type from Ota Tofu with peanut butter for a dense, addictive pudding, which we pipe throughout a creamy banana gelato made velvety by soy milk.

**Made with Ota Tofu**

*Contains: Soy, Peanuts*

#### SUNFLOWER BUTTER CUPS (V)

Gangly sunflowers are actually a receptacle for satiating crackly seeds. When roasted and broken down, they make for a thick, earthy butter that lends depth to sweetened coconut cream. We fold in shards of organic chocolate stracciatella and marionberry jam for a deconstructed butter cup.

*Contains: Tree Nuts (coconut)*

#### TOASTED OAT MILK & COOKIES (V)

Slightly nutty, starchy oats have been eaten for centuries and continue to delight our kitchen with their creamy, toothsome texture. We dunk gluten-free chocolate chip cookies and ganache into ice cream for the ultimate oat milk & cookies experience.

*No major allergens*

#### ROCKY ROAD W/ AQUAFABA MARSHMALLOWS (V)

This most-technical flavor relies on aquafaba—bean cooking liquid—which beautifully mimics the structure of egg whites when whipped. We set out to make glossy, pillowy marshmallows, then candied sunflower seeds for that anticipated rockiness. Naturally, we put all those leftover white beans to good use in a luxurious chocolate ice cream that will definitely surprise you.

# CLASSICS

These are always here—so you have time to taste them all. You'll find our favorites, plus a few flavors made just for Portland in collaboration with local artisans and farmers. We hope you love them!

## **SEA SALT W/ CARAMEL RIBBONS**

Our reimagination of the classic. We spike our cream with just enough Guatemalan fleur de sel to bring out its nuances, then drizzle in ribbons of our hand-burned caramel.

Made with Bitterman Salt  
Contains: Milk

## **ALMOND BRITTLE W/ SALTED GANACHE**

Grandma Malek made this almond brittle every year for the holidays. Here it joins forces with hunks of slightly salty chocolate ganache that stay soft and creamy even when frozen.

Contains: Milk, Tree Nuts (almonds, coconut)

## **DOUBLE FOLD VANILLA**

It's called "double fold" for a reason: Our friends at Singing Dog use twice as many vanilla beans in their extract to pack an incredible punch. This definitely ain't vanilla vanilla.

Made with Singing Dog Vanilla  
Contains: Milk

## **CHOCOLATE GOOEY BROWNIE**

For anyone who eats brownies warm right out of the pan. We fold housemade marshmallow fluff into our intensely chocolate-y brownie batter so each piece stays fudgy in ice cream.

Contains: Milk, Wheat, Eggs

## **ARBEQUINA OLIVE OIL**

Ice cream illuminates this incredible Oregon olive oil's velvety texture and tropical, grassy notes. At once simple and wildly complex.

Made with Durant Olive Mill  
Arbequina Olive Oil  
Contains: Milk

## **CINNAMON SNICKERDOODLE**

We fold our house-baked chewy snickerdoodle cookies into ice cream that's spiked with the most intensely spiced, warm cinnamon.

Made with Red Ape Cinnamon  
Contains: Milk, Wheat, Eggs

## **HONEY LAVENDER**

Bliss for lavender lovers. We steep pounds of lavender petals in local honey, bringing out more complex, herbaceous flavors than you've ever experienced.

Made with Bee Local Honey  
Contains: Milk

## **COAVA COFFEE W/ FRECKLED WOODBLOCK CHOCOLATE**

Bold, single-origin cold brew gets mixed with cream, sugar, and sea salt. Then we pour untempered chocolate directly into the ice cream as it churns, an old-school technique called freckling.

Made with Coava Coffee and  
Woodblock Chocolate  
Contains: Milk

## **PEAR & BLUE CHEESE**

We candy Oregon bartletts to bring out their flavor, then fold in cave-aged crumbles of Rogue Creamery's blue cheese (voted best in the world) for a bold thwack.

Made with Rogue Creamery  
Contains: Milk

## **STRAWBERRY HONEY BALSAMIC W/ BLACK PEPPER**

A strawberry triple threat. We steal a trick from the Italians, using balsamic and citrusy cubeb black pepper to help coax out the fruit's acidity and brightness.

Made with Oregon Hill Farms  
Strawberry Jam and Honey Ridge  
Farms Balsamic Vinegar  
Contains: Milk

## **CLOUDFOREST CHOCOLATE HAZELNUT COOKIES & CREAM (V)**

This is the most decadent ice cream you've ever tasted, thanks to the trifecta of Cloudforest Chocolate, coconut cream, and hazelnut butter. Chunks of our homemade (gluten-free and vegan) "Oreos" make it over the top.

Made with Cloudforest Chocolate  
Contains: Tree Nuts (hazelnuts, coconut)

## **MINT CHIP W/ THEO CHOCOLATE (V)**

Coconut and pure Oregon mint oil coalesce into a delicate, floral ice cream, freckled with organic chocolate from bean-to-bar pioneer Theo.

Made with Theo Chocolate and Seely Mint  
Contains: Tree Nuts (coconut)

## **STRAWBERRY & COCONUT WATER SHERBET (V)**

Coconut water and a little sugar are the only things we need to let the sweet-tart quality of strawberries shine in this creamy, refreshing flavor.

Made with Harmless Harvest  
Coconut Water  
Contains: Tree Nuts (coconut)
