All information is believed correct at time of going to press. Jimmy's Fireworks takes no responsibility for errors in printing. All product images are for illustration purposes only and are not to scale. Sizes are approximate. Products may vary from those illustrated. Jimmy's Fireworks Ltd is strictly limited to trade and business only. In order to ensure a good performance for your display, some of the fireworks in this brochure are of hazard type 3, you should be aware that the law restricts the storage of hazard type 3 fireworks in premises without a licence or registration as follows: Up to 5kg net explosive mass may be kept indefinitely. Up to 100kg net explosive mass, may be kept at the place of their intended use, for no longer than 3 days. If you require more information about this please contact us. Prices and availability are subject to change without notice. In the event of any item being unavailable we reserve the right to substitute it with another, of equal or greater value. Customers must be 18 years of age & over. All deliveries must be signed for by a person 18 years of age & over. All prices include VAT, E & OE.
