

CHEEKY ANIMALS

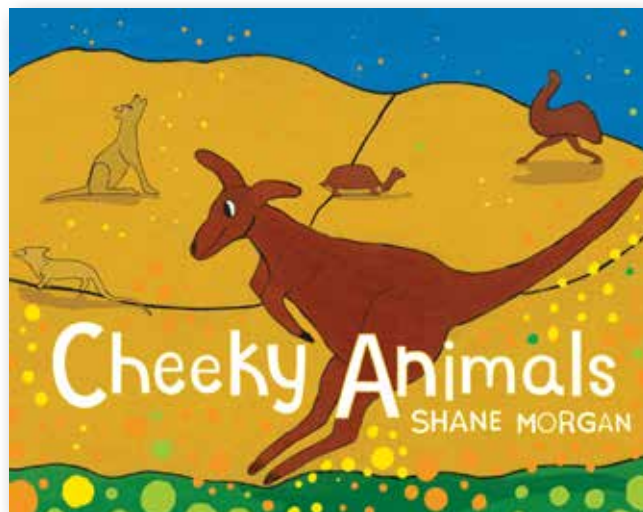

A universal and beautiful story for all ages and cultures that captures the humour and playfulness of some of our most cherished Aussie animals

Inspired by the soft cover edition of the iconic children's picture book, *Look & See* (1999) – still in print after almost 20 years – this little gem of a board book captures the playful antics of some of our favourite Australian animals. From a hopping kangaroo to a hilarious emu and a mischievous turtle, this rhythmical tale takes a heartwarming look at cheeky animals and how they interact with an unsuspecting human.

Filled with gentle humour and complemented with simple yet robust illustrations, *Cheeky Animals* is one of those books that young children and adults will choose time after time.
