

# RISE OF THE FALLEN

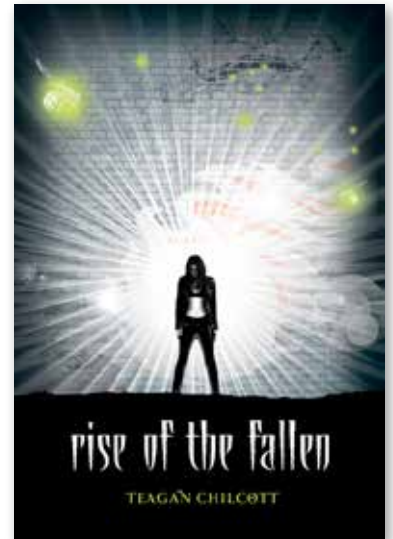

A compelling fantasy novel of magic, mystery and seduction

Written by Teagan Chilcott

*Rise of the Fallen* is a young adult paranormal romance, the first in a series of novels with demons, angels and elementals at war for power. This contemporary, super-sharp story with sardonic humour features a feisty main character in Emilie and a love triangle. The battles take place in familiar settings: shopping malls, street corners, the Australian bushland and up and down the Queensland coast. Emilie, fire elemental, and Cael, water elemental, are wanted by the entire demonic realm. Lying low in the human realm – as students at a Brisbane school – Emilie encounters the mysterious and charming Soul, and soon finds herself lost in the very world she's been running from for centuries.
