

Classic Collection

Bite Free™

- Provides body-only coverage; do not use cervical collars to protect eyes, ears, feet, or lower portion of legs
- Allows for full peripheral vision
- Adjustable and comfortable fit for extended use
- Optional stabilization strap for more active animals

The Bite Free™ is our maximum comfort, and minimal stress cervical collar made for long-term use. The optional stabilization strap fits behind the front legs, forming a base for additional security.

ITEM#	NECK CIRC.		DEPTH
