

Preferred Collection

EZ Flex™

- Full body coverage
- Drawstring with tie for adjustable sizing
- Lightweight fabric collar for maximum freedom of movement while protected
- Can be inverted for alternative protection
- Non-allergenic, non-toxic and water-resistant material
- Scratch and chew resistant

The EZ Flex™ e-collar is our soft and flexible recovery collar as an alternative to the traditional plastic Elizabethan cone, allowing pets to recover in comfort. These easy-to-apply e-collars allow pets to eat, drink, sleep, and play without restriction for a happy and speedy recovery. This e-collar bounces back to original shape when compression is alleviated, allowing pets to maneuver their environments while staying protected.
