KVP Mendy Chews™

For dogs on the mend. KVP's mouthwatering, chicken-flavored Mendy Chew is unlike anything you have tried for your pet's recovery before. Created to support your pet post-injury or surgery, this chew has you covered. It's the only dog recovery supplement in the world containing our proprietary recovery-support complex; a unique blend combining protein for muscle, healthy fats, vitamins, and essential ingredients for healthy blood circulation and oxygenation.

Ingredients

Chicken, Chicken Liver, Flaxseed Meal, Glycerin (Palm, RSPO), Oats Flour, Palm Fruit Oil (Organic, RSPO), Rice Flour, Sunflower Lecithin

L-Isoleucine, L-Leucine, Taurine, L-Valine, Citric Acid (as preservative), Chicken Flavor (natural), Magnesium Stearate, Vitamin B1, Vitamin B2, Vitamin B5, Vitamin B6, Folic Acid
