

Patient Care Collection

ID Bands™

- Strong, pressure-sensitive adhesive becomes more permanent with increased pressure
- Water-resistant for long-lasting identification
- Available in white, red, or mixed-color (includes white, red, green, blue, yellow) boxes
- Accommodates permanent marking pens, ball points and pencils
- All product boxes come with one black Sharpie® Marker

Our KVP ID Bands are a nontoxic and nonhazardous synthetic paper product that offers colored bands that won't bleed. ID bands can help veterinary staff easily coordinate and organize pet's needs with trustworthy identification means. These bands are convenient to put on, and are made with a super strong adhesive.
