

MEET THE CUP THAT DOES IT ALL

100% biodegradable.
The new way to **Drink Responsibly.**

LID ELIMINATION CREATES MAJOR SAVINGS

- **Space-Saving:** Due to the unique design of the all-in-one SOFi Cup, purchasing a separate lid is no longer necessary.
- **Cost-Saving:** By eliminating the lid, the SOFi Cup saves a tremendous amount of space and reduces freight costs.

LONG LASTING AND SPILL PROOF

- Lasts for over 6 hours, extremely durable
- Four flaps seal all liquid in, preventing spillage

GREAT FOR THE PLANET

- Plastic-Free and Bioplastic-Free
- 100% Home compostable and Industrial compostable certified (EN 13432). These cups decompose naturally in landfills, soil or marine environments in less than 180 days.
- Recyclable and repulpable (EN 13430)
- Safe for food & beverage direct contact and FDA & ISEGA certified
