| 9    | 134         | 69         | 62         |
| 10   | 140         | 72         | 63         |

### How to Measure:

Waist: Measure the circumference of the narrowest part of your mid-section.

Hips: Measure the circumference of the widest part of your hips.

Chest: Measure the circumference of the widest part of your chest.

Inside Leg: Measure the distance from the inner crotch to the ankle.

Finished Length (tees): the distance from the top of the shoulder to the bottom of the garment.
