Wall Sconce Shade

Designed exclusively by Georgia Ezra, these Wall Sconce Shades are classic lifelong pieces created to enhance interiors with their organic forms and dispersement of light.

Our stoneware clay line is 100% handmade in Melbourne and we are proud to support Australian artisans.

AHW

Our Wall Sconce Shades are available in two sizes; Small and Large.

Both sizes are ideal for commercial and domestic environments.

IIII

The Wall Sconce Shades come in three different finshes.

Each item is made by hand and variations in clay texture and colour ensure each and every piece is unique. This is due to the nature of using natural materials such as recycled clay. Slight variation should be expected in the amount of speckle, the glaze and the batch of clay.
