TOWER OF PIZZA SET

Bite into the cheesy, bubbling goodness and heavenly crunch of authentic New York or Chicago-Style pizza — made at home! The Kalorik MAXX Tower of Pizza 6-Piece Set includes:

- 1 Pizza stone
- 1 Deep dish pizza pan
- 1 Pizza cutter
- 1 Pizza peel
- 2 Oven mitts

USE AND CARE INSTRUCTIONS

USE INSTRUCTIONS: Pizza stone creates thin-crust, New York-style pizza. Deep dish pizza pan makes thick-crust, Chicago-style pizza. Recommended for up to 500°F in a conventional oven. Pizza cutter creates perfect, clean cuts, and can also be used for fresh herbs, homemade pasta, dough, and bread. Pizza peel easily maneuvers, transfers, and serves. It can also be used as a spatula for grills and griddles. Heat-resistant oven mitts protect hands while handling hot cookware.

CARE INSTRUCTIONS: The deep dish pizza pan, pizza cutter and pizza peel are dishwasher safe, but hand washing is recommended. For the pizza stone, simply rinse and air dry. The stone naturally seasons over time. Oven mitts can be cleaned in the washing machine, or scrubbed with detergent and rinsed thoroughly under cold water until suds are gone, as dried soap residue can cause cookware to slip out of your grip.

BAKEWARE WILL BE HOT. ALWAYS USE HEAT-RESISTANT OVEN MITTS OR PADS. USE CAUTION WHEN HANDLING.
