WELCOME TO BODY SCULPTURE

Body Sculpture was established in the UK in 1965. Major changes to the brand arrived in 1990 when it was purchased by Solex Industries of Taiwan. Since then, under the leadership of Lane C Yang, the company has grown rapidly to become an international brand. Body Sculpture Products are now sold in over 60 countries across 6 continents.

Our global operations/distribution centre is based in a modern 75,000 sq.m. complex located in Xiamen. We offer top quality products at competitive prices. Our R&D team is constantly developing innovative products to make sure Body Sculpture remains one of the leading brands in fitness market. Our Lab has an up-to-date chemistry and mechanical test facility to ensure our products meet the latest European safety standard.

Body Sculpture believes in investment in people, value and innovation, and is committed to providing customers with reliable products and customer service.

Body Sculpture has been selling internationally now for over 40 years and these are some of the markets our products are available in.
