TEXA

MARINE 16.1.1

DECEMBER 2021

IDC5 MARINE 16.1.1

IDC5 MARINE is the practical software that guides the mechanic through all the diagnostic operations in a practical and safe way. It provides important information to support the diagnosis, such as nominal values associated with errors, technical data sheets and interactive wiring diagrams. It allows you to work on many models of inboard and outboard marine engines, industrial engines and generators, personal watercraft, and covers **50 makes** and over **900 models**.

MAIN NEW FEATURES INCLUDED IN THE VERSION

Some of the major news introduced as follows:

TOHATSU OUTBOARDS

The injection system for MFS 75 A, MFS 90 A, MFS 100 A, MFS 115 A and MFS 140 Mega has been included

CATERPILLAR

The injection system for C30 has been included

MAN MARINE

The diagnosis has been improved

MERCURY DIESEL

The diagnosis has been improved

WARNING

The trademarks and logos of vehicle manufacturers in this document have been used exclusively for information purposes and are used to clarify the compatibility of TEXA products with the models of vehicles identified by the trademarks and logos. Because TEXA products and software are subject to continuous developments and updates, upon reading this document they June not be able to carry out the DIAGNOSTICS of all the models and electronic systems of each vehicle manufacturer mentioned within this document. References to the makes, models and electronic systems within this document must therefore be considered purely indicative and TEXA recommends to always check the list of the "Systems that can be diagnosed" of the product and/or software at TEXA authorized retailers before any purchase. **The images and the vehicle outlines within this document have been included for the sole purpose of making it easier to identify the vehicle category (car, truck, motorbike, etc.) for which the TEXA product and/or software is intended.** The data, descriptions and illustrations June change compared to those described in this document. TEXA S.p.A. reserves the right to make changes to its products without prior notice.
