HOME FRAGRANCES

NEROLA

KEY NOTES: Neroli, White Ginger, Star Anis, Bergamot, Jasmine, Orange Blossom, Tuberose, Cedar wood, Musk, Vanilla

Casual-luxury living has a new scent. Delicate Neroli dances alongside the wooded spice of fresh ginger and complex array of fine floral notes, lasting just long enough to grab your attention, before a solid base of musk & cedarwood coax you gently back down to earth.

PINK SUEDE

KEY NOTES: Coconut, White Musk, Tuberose

A luxurious blend of coconut and musk underlie a heady burst of the elegant tuberose. A warm, clean base provides the perfect canvas for a bewitching floral top notes, creating a sensual union that's soft, feminine and alluring.

SEAMINT

KEY NOTES: Aloe, Sea Salt, White Musk, Sweet Peppermint

A refreshing trio of white musk, sea salt and peppermint. This scent conjures up memories of a luxury beach house; white oak floors, a gentle morning mist and salty hair on crisp, cotton sheets. A hint of peppermint brings you back to life. One word comes to mind, and that's 'fresh'.

HOME FRAGRANCES

STONE ROSE

KEY NOTES: Rose, Baie Rose, Green Fig, Wet Stone

A rose-inspired story for the modernist. Cold, wet stone in the morning dew. Bud, stem & petal. A soft twinge of fruit sap from nearby trees. Step downwind on a breezy morning and into the new generation of rose.

DARE TO VETIVER

KEY NOTES: Vetiver, Lime Zest, Black Pepper, Orange Blossom, Vanilla

An intoxicating blend of vetiver, black pepper and lime zest. Sweet citrus intertwines with the unmistakably earthy smokiness of vetiver and the sharp, spicy notes of black pepper. A scent of complementary contrast and exciting contradiction. Tell us, do you dare to vetiver?

WHITE SHIRT

KEY NOTES: White Sandalwood, Patchouli, Black Pepper, Amber, Wood Spice

Amber, patchouli and rich white sandalwood are brought together in a magnificently crafted, androgynous scent. Sure of itself, and quietly confident. Don't be surprised if you're drawn in by its mysterious depth and left lingering on the whisper of a soft, powdery finish. Sophisticated? We 'd say so.

5 STAR SPICE

KEY NOTES: Cedarwood, Cinnamon, Vanilla Bark, Lotus Flower, Wood Spice

Comforting notes of deep vanilla and cinnamon bark are balanced by the warm, aromatic hue of cedarwood, and hints of lotus flower. Soft, subtle and understated; it achieves the perfect balance of sweetness and spice. This delicate finer fragrance lives beautifully in every space.
