

A long wooden dining table is set up outdoors in a wooded area. The table is covered with a white sheepskin runner and has several place settings with white plates, glasses, and silverware. Each place setting is accompanied by a lit candle in a black holder. The table is surrounded by trees and a canopy of white fabric is draped over the top. The ground is covered in fallen leaves.

SHEEPSKIN HIRE

**Elevate places & spaces with
texture & tones**

As specialists in natural materials and styling, we know what's needed to elevate your event to next level sumptuousness.

Reduce your purchasing costs by hiring sheepskin decor, add natural texture and layering to your styling without needing additional storage and wow your guests with unique and considered gifting.

Our growing range of decorative sheepskin packages available to hire are designed to assist venues, stylists and photographers when styling weddings, events, venues, or fashion, interior, and lifestyle shoots.

Our gifting range includes hand-crafted Spanish Merino and British Sheepskin Slippers, Soft Furnishings and Gift Boxes.

Pick some lovely gifts out

Let us do the rest

Leave the logistics to us

Our lovely team will arrange the delivery and collection of your goods. This may be in boxes or re-usable pallets depending on the size of your hire.

We'll even arrange collection at a time and place of your choice.

Put a fork in me, I'm done

Take a load off

Take the pressure off finding the perfect gift for your nearest and dearest or clients with some scrumptious (and pretty snazzy) sheepskin slippers.

Even when the big day itself has passed, they'll remember it every time they slide into them.

P.S. enjoy an additional 10% discount on gifts when purchased alongside any hire package
