

Ring Size Guide

These sizing tools will provide a close estimation of your ring size. To confirm your exact size, we recommend having your finger measured by a professional jeweler.

Ring Size Template:

1. Print out this guide at **100%**.
2. Place a ring that fits the finger you are shopping for on each circle until you find one that matches. The circle should line up with the inside of your ring.

Ring Size-measuring Tool:

2. Slide the end tab "B" through slot "A" and wrap the sizer around the base of your finger (be sure to allow room for your knuckle).
