

# Adelphi Whisky Dinner at Gladstone

We are delighted to welcome back to New Zealand, The Hon. Alex Bruce (MQ), the face of independent bottler, Adelphi and The Ardnamurchan Distillery. He'll be heading to the Wairarapa to share some special whisky release along with a stunning three course meal in the charming setting of the Gladstone Vineyard.

Not only will we have some exceptional whiskies to try but also some delectable drops from the vineyards winemakers. This very special whisky dinner includes a three course meal, 5 Adelphi whiskies and a complimentary glass of wine with the entree and main course.

We hope you will come along to join Alex and Michael Fraser Milne of Whisky Galore for a evening of fine drams and some of the best food and wine this region has to offer - we look forward to seeing you there!
