Alexandra Toccin, Sharon Lee Clark, Michael Toccin

Neiman Marcus NorthPark, Alexandra & Michael Toccin alongside Sharon Lee Clark, Kimberly Schlegel Whitman, and JoJo Fleiss hosted a delightful reception and luncheon. The group celebrated the TOCCIN (NY) Spring 2022 collection, available at Neiman Marcus in stores and online. The ready-to-wear line [pronounced toss-in] is a lifestyle collection by husband-wife team, Alex + Michael Toccin. Founded in September 2019, the line has evolved from effortless dresses + jackets to a fully developed lifestyle collection featuring an array of soft yet structured trousers, skirts, perfect little tees, tanks + blouses, rich knitwear, and an expanded offering of dresses + jackets, all offering a designer aesthetic at an approachable price.

Guests enjoyed a spring fashion presentation alongside a delicious lunch prepared by the NM Café. The stunning tablescapes were adorned with fresh bouquets by premiere Dallas-based floral design company Avant Garden. Attendees included Lisa Sadoughi, Samantha Stewart, Mia Brous, Kira Nasrat, Lesley Vecsler, Vodi Cook, Claire Catrino, Bina Palnitkar to name a few.
