## Editors' Picks: The Best Beauty and Fashion Products We Tried This Month

written by [ALI WEBB](#) PUBLISHED ON 11/16/23 12:25PM

BYRDIE

It's that time of the fall when we're fully into our cozy beauty and fashion favorites, but not quite in full holiday and [winter mode](#) yet (though that's coming sooner than we know it). We've transitioned our skincare routines to fit drier air, we're finding new layering pieces that will upgrade our style throughout the colder months, and we've fallen in love with a whole range of [scents](#) that get us in the right mood for the season. If you're looking for a little inspo to keep you looking and feeling your best throughout the tail end of autumn, you've come to the right place: **Read on for all the editors' picks that kept us going over the past month**, from luxe lip products to our favorite new knits.

My fall wardrobe is basically a rotation of go-to [denim](#) and cozy-chic sweaters. While you truly can't go wrong with a solid knit and classic cashmere, all it takes is one subtle detail to bring any outfit to the next level. This soft mohair oversized crewneck from Toccin has applique embroidery that adds a touch of interest and can be worn on repeat all season.
