As co-founders of their eponymous label, Toccin (toccin.com), Alex and Michael Toccin are experts at easy and elegant looks. Here, we asked the chic Southampton based couple to curate their seasonal selects.

SUMMER DRESS: My favorite this season is the Toccin Lucy dress.

SUMMER SHOES: Right now, I am loving my YSL mule. It goes with everything!

SUNSCREEN: My go-to is EltaMD. It is light and airy and does a great job protecting my skin.

SUMMER SKINCARE: Right now, I am using Alastin and love the way it makes my skin feel.

SUMMER FRAGRANCE: My summer scent is Byredo De Los Santos.

WELLNESS/SUPPLEMENTS: I take Nutrafol and have noticed a difference in my skin and hair!

OUTDOOR ENTERTAINING ESSENTIALS (LINENS, TABLEWARE, ETC): My faves are Jenni Kayne place mats, Loaves & Fishes napkins, Zafferano glassware, Sag Harbor Florist and citronella candles for bug repellent.

GOURMET RESOURCES/PROVISION FOR ENTERTAINING IN THE HAMPTONS: We use chef Anna at Hen of the Woods in Southampton and love her.

SUMMER MEAL TO SERVE GUESTS: We love coming up with themed nights when we have guests come over, ranging from Greek to Mexican. Who doesn't love a good theme?

WINE TO SERVE: Always rosé in the summer

FAVORITE SPOT FOR A NIGHT OUT IN THE HAMPTONS: We love going to Sag Harbor to any one of the fun restaurants, including Le Bilboquet and Tutto il Giorno.

OTHER HAMPTONS RESOURCES OR PRODUCTS THAT ARE A SUMMER MUST: During the summer, we love to work out at Tracy Anderson, take coffee runs at Hampton Coffee, and always make sure to plan a beach bonfire night with our family and friends. It is so memorable! We also love to do a boat day to Duryea's in Montauk and go shopping in East Hampton.
