## What Is Feline Gut Soothe?

This product is a pre and probiotic blend with the additional benefits of targeted nutraceuticals and herbs, lovingly formulated for our adored kitties. Feline Gut Soothe is designed to reduce inflammation of the smooth muscle (gastro intestinal tract, bladder wall, and lining of lungs).

## Who Is Feline Gut Soothe For?

Any cat who is experiencing hairballs, digestive upset, asthma, inflammatory bowel disease, or bladder infections..

## **Did You Know?**

- Feline Gut Soothe can be just as helpful for asthmatic kitties as it can be for digestive upset.
- Feline Gut Soothe offers incredible immune support to fight viruses and bacteria.
- Julie formulated this product specifically for the special needs of your feline friends.
- Feline Gut Soothe is one of the few products on the market that does not use "natural flavour enhancers." Instead, Julie has added a beef liver glandular, which has been used in Chinese medicine for centuries to support the liver... making this formula not only a tasty treat but healthy too!

## **Pro Tip:**

Julie always recommends Feline Gut Soothe for any kitty who is going through a diet transition. Feline Gut Soothe can not only make your cat's food taste great, but it also introduces friendly bacteria to ease any possible tummy upset caused by a dietary change.

## **Pro Tip:**

Julie also recommends Feline Gut Soothe for any kitty who has been on antibiotics.

## **Directions for Use:**

Add to food once per day according to your cat's weight.

CAT'S WEIGHT	DAILY SERVING
1 – 5 LBS	1/8 TSP
6 – 11 LBS	1/4 TSP
12+ LBS	1/2 TSP

## **Ingredients:**

## **Deglycyrrhizinated Licorice (DGL)**

Can support the protective layer of the digestive tract and improve circulation.

## **Slippery Elm Bark**

Soothes the mucous membranes of the digestive and urinary tracts and respiratory system. It helps to protect the stomach against ulcers and inflammation.

#### N-acetyl Glucosamine (NAG)

Helps to decrease inflammation and pain in the digestive tract, urinary tract, and respiratory system.

#### **Marshmallow Root**

Protects the tissue and has soothing effects on the stomach, intestines, bladder, and lungs.

#### 14 Strain Probiotic Blend

1 billion allergen-free colony forming units of our cherry-picked multi-strain probiotic blend provides beneficial bacteria to establish healthy colonies and keep bad bacteria at bay.

#### L-glutamine

L-glutamine is an amino acid that is essential in the healing of leaky gut. It supports the strength of the mucosal lining and the proper functioning of the gastrointestinal tract and acts as a protector against the irritants that cause inflammation.

## Larch Arabinogalactan

A prebiotic that feeds probiotics, helping to keep them healthy and viable, reducing incidents of chronic infection with the added benefits of having anti-cancer and immune-modulating properties.

#### **Beef Liver Glandular**

Nutrient-rich glands and organs are superb foods for dogs and cats, and are a vital part of a natural carnivore's diet. We include this in our formula to enhance the flavour for even the pickiest of animals but also because of the incredible added nutritional benefit.
