

Local Maker Studio COVID Response and Regulations

Updated based on Massachusetts State Guidance as of 7/14/20

Social Distancing

- All employees, vendors and customers will be required to remain six feet apart to the greatest extent possible.
- We have established protocols that allow for as much social distancing while inside the space as possible.
- Face coverings are required for all employees, vendors and customers while inside the space.
- Face coverings may be removed during filming or a photo shoot, while maintaining a safe distance from other participants.
- No more than 25 people are currently allowed in the space at any given time.
- We ask that you keep distance while adhering to studio and company guidelines as much as possible.

Hygiene Protocols

- All employees, vendors and customers will be required to wash their hands upon entering the space.
- Hand sanitizer dispensers are located throughout the space for use.
- High touch surfaces such as doorknobs, work tables and restrooms will be sanitized on a regular basis.
- Frequent handwashing is encouraged.

Staffing and Operations

- Employees have all been trained on these specific hygiene and social distancing protocols.
- Any employee, vendor or customer that is experiencing possible symptoms of COVID-19 are asked not to come to the Studio.
