# TRUE COMMERCIAL VACUUM PERFORMANCE FOR LESS.

Workhorse durability and premium features at a competitive price. You can count on a Ranger.

PROFESSIONAL | RANGER UPRIGHT VACUUM

# THE BUDGET-FRIENDLY VACUUM THAT DOESN'T COMPROMISE ON QUALITY OR FEATURES.

The Ranger vacuum blends professional-grade quality and durability with affordable pricing. Make the switch from cheap, disposable vacuums and choose the sustainable choice, a vacuum built to last. The Ranger gives new meaning to "you get what you pay for". It's the best commercial entry level vacuum in the market because we designed it to be. With an energy efficient impeller style system, this vacuum will make quick work of any cleaning job. Plus, the manual height adjustment means you can use it on different types of carpet, as well as hard floor surfaces with ease. The flat-to-floor feature is ideal for cleaning under beds or furniture. The break-away foot pedal design protects against damage, while the brush lifts off the floor when the handle is in the upright position, prolonging its life. Additionally, there's a safety mechanism that prevents damage to the vacuum if debris gets caught in the brush. Other features include a long-life belt, a clean-out door under the vacuum head, and quick change power cord. For a professional vacuum that doesn't skimp on quality or features, choose the Ranger upright vacuum.
