

GD5 Battery

Freedom to clean everywhere

- backpack vacuum that requires no electrical connections

Powerful, reliable and mobile design

The Nilfisk GD 5 Battery vacuum cleaner offers all you need to get the job done faster - leaving the need for cords and power outlets behind you.

Adding to this extreme mobility, the machine has a long runtime, fast battery charging, and special boost function to ensure an extraordinary productivity. Switching between two 36V Lithium batteries will enable you to work non-stop. Just put it on and get going!

The backpack design will let you work with ease! Being compact and mobile, the Nilfisk GD 5 Battery will deal effectively with dust in facilities with limited space between seats, tables, and shelves. The machine is an ideal choice for cafes, restaurants, shops, cinemas, auditoriums and conference rooms, as well as transportation.

When the going – and the dirt – gets tough, just turn on the boost function and extra suction power will be added to ensure an optimal cleaning performance. It all happens at a speed which cannot be matched by mains powered vacuum cleaners, and thanks to the best in class sound pressure level from just 60 dB(A), daytime cleaning is an option worth considering

- Maximum freedom and mobility due to the cordless and ergonomic backpack design
- High productivity with up to 60 minutes of runtime on a fully charged 36V Lithium battery
- Best in class charge time of only 40 minutes offers continuous cleaning with the use of two batteries
- Safer cleaning environment for guests, visitors and the operator with no cord to trip over
- Optimal performance with boost function adds suction power for heavy duty cleaning
- Low sound pressure level from just 60 dB(A) enabling cost-effective daytime cleaning

Easy to reach on/ off switch with power boost function for an extra in depth cleaning performance

Accessory storage right at your hand

Easy access to the battery makes it quick and simple to re-charge

Technical specifications

Description	Unit	GD 5 Battery
		eco / power boost
Reference number		41600841
Voltage	V	36
Battery type		Lithium Ion
Rated power	W	650
Power consumption	W	190/465
Sound pressure level ISO 11203	dB(A)	60/65
Sound power level ISO 9614-2	dB(A)	73/78
Suction power end of tube	W	45/116
Airflow	l/sec.	21.7/26.7
Sack filter area	cm ²	1397
Pre filter area	cm ²	35
Length x width x height	mm	240x330x755
Weight (machine only)	kg	5.3
Weight w/ batteries	kg	8
FEATURES:		
Power boost		●
Dust bag (1pcs)		●
Fast charging		●
