

XPOWER

X-2480A/X-3400A

PROFESSIONAL 3-STAGE HEPA AIR SCRUBBER

Developed to restore indoor air quality in a variety of applications such as hotels, property management, schools and restaurants, the XPOWER Air Scrubber / Negative Air Machine efficiently produces 550 - 600 CFM to effectively capture bacteria, allergens, mold, and sub-micron sized dust contaminants while only drawing 2.8 amps. The Variable Speed Switch and filter change indicator light provides complete operating control. A durable ABS housing with on-board GFCI power outlets ensures that this stackable machine can be transported with ease.

- Stackable and lightweight for easy transport and storage
- Foam Cap to contain Contaminants when moving units
- Dual Thermal protection
- 1 Year Manufacture Warranty
