Application for Associate Membership

The Society encourages craft workers of NSW to design and create work, using motif, material and social commentary drawn from the Australian experience and Australia's cultural diversity.

Craft NSW, the gallery of the Society, is completely member operated. The Society has a long history, tradition and philosophy aimed to keep handcrafts alive. It is not just an organisation that offers work for sale; it is an institution that encourages artists to maintain high standards and ethics.

Associate membership is open to residents of NSW who support the purposes of the company, but do not exhibit work at the Society's gallery – Craft NSW.

Associate members are invited to attend meetings and participate in all the Society's activities. After 3 years continuous membership the category will automatically change from Associate to Non-exhibiting membership, a category which gives members full voting rights.

Should you wish to become an exhibiting member, you need to complete a different application form and undergo the selection process.

A regular e-newsletter is distributed to our members and to the wider public to keep members informed about upcoming exhibitions and events.

Craft NSW is staffed by volunteers and your participation in the roster would be very welcome.

I hereby apply to become an Associate Member of the Society of Arts & Crafts of NSW
