

A detailed illustration of a young boy with brown hair, wearing a green tunic and brown pants, crouching on a gothic rooftop. He is holding a white pigeon in his hands, feeding it. Several other pigeons are on the ground around him. In the background, there are large, ornate stone gargoyles and statues. The sky is filled with dramatic, dark clouds, and a bright sun is setting or rising behind a distant cityscape. The overall style is classic Disney fine art.
