Dairy Free, Non GMO and No Corn Syrup
Ingredients: CBD content: 50mg

CONTAINS:

Purified water, cane sugar, full-spectrum
hemp extract, curcumin hops extract,
oleic, linoleic, stearic fatty acids,
orange essential oil for taste.

PRODUCED BY:

KannaSwiss, Switzerland product of the EU.
Bottled and, distributed by Eden Aromata
Ltd UK.

STORAGE:

Store away from children, sunlight, heat and humidity.
Batch : Oct 2019 | Use by : July 2021

RECOMMENDED USE:

It is best not to drink, eat or smoke approximately 5 m
before or after using CBD. The product is considered as a
food supplement with up to 4-8 times faster absorption
& bioavailability than hemp extract oil. One pipette full
of liquid is enough as it has an equivalent performance of
20-25 mg of conventional Full Spectrum CBD oil. Add to
drinks & beverages or edibles for daily use.

If you are using the measured pipette, then drop the right
quantity under the tongue. Ten drops are 1/2 ml & have
2.5mg CBD but because of extremely high bioavailability
that is equivalent to at least 10mg of oil-based type
Hemp Extract.

The minimum recommended dose is 1 ml or one pipette full
for each application.

USING THE SPRAY/PUMP:

If you are using the spray, 10 ml bottle, it has 75 pump
spray and therefore each spray/pump is equal to ~.7mg
of fast-acting high bioavailability CBD.
