## \*\*\*FROBABIES PROMO PACKAGES\*\*\*\*

**Need another reason to get your brand on our network? FroBabies Instagram feed delivers engagement rates of up to 4.21 percent per follower. That's 58 times more engagement per follower than Facebook!.**

All ads are published Eastern time.

Images do not remain on the site forever. They are removed within 72 hours or once the new image is posted.. As the second promo is posted, the previous will be removed. The final post will remain for 48 hours.

After your payment you will select a date for your campaign. Each placement will be posted within the first five days after payment.

We are unable to make changes to posts once they are submitted or posted
