3. Select the Device you wanted.
4. When paired, it will show successful.
5. After paired, it will go to main page directly.
WARNINGS
INSTRUCTIONS PERTAINING TO RISK OF FIRE, ELECTRIC SHOCK OR INJURY TO PERSONS

• Do not allow this product to become wet. Exposure to excessive moisture will damage the unit.
• Do not immerse the product in water.
• Do not operate the product in explosive atmospheres, such as in the presence of flammable liquid, gas or dust.
• Do not modify or disassemble this product.
• Do not store in locations where the temperature may exceed 104ºF (40ºC).
• Under extreme heat conditions, battery leakage may occur. Avoid contact with your skin. In case of skin or eye contact, rinse immediately with clean water and seek medical attention.
• If battery leakage occurs, take it to your local battery recycling center for disposal. Do not attempt to use.

NOTE: This product does not include microphone, light stand or camera.

INSTRUCTIONS PERTAINING TO RISK OF FIRE, ELECTRIC SHOCK OR INJURY TO PERSONS

• Do not allow this product to become wet. Exposure to excessive moisture will damage the unit.
• Do not immerse the product in water.
• Do not operate the product in explosive atmospheres, such as in the presence of flammable liquid, gas or dust.
• Do not modify or disassemble this product.
• Do not store in locations where the temperature may exceed 104ºF (40ºC).
• Under extreme heat conditions, battery leakage may occur. Avoid contact with your skin. In case of skin or eye contact, rinse immediately with clean water and seek medical attention.
• If battery leakage occurs, take it to your local battery recycling center for disposal. Do not attempt to use.
BATTERY DISPOSAL

The battery is self-contained and not consumer replaceable. The battery must be disposed of properly when it no longer holds a charge. Proper charging practices will increase the life of the product. For information on battery recycling, call toll-free 800-822-8837.

For information regarding air travel safety with batteries please check the U.S. Department of Transportation prior to travel at: http://phmsa.dot.gov/safetravel/batteries or contact your airline if travelling from a country outside the U.S.

Note: The Power Bank gives 27.72 watt hours of power.

WARNINGS

IMPORTANT SAFETY INSTRUCTIONS

• Read all the instructions before using the product.
• To reduce the risk of injury, close supervision is necessary when the product is used near children. Children should not operate this device unless under strict supervision by a person responsible for their safety.
• Do not put fingers or hands into the product.
• Do not use any attachment that is not sold by device manufacturer which may result in a risk of fire, electric shock, or injury to persons.
• To reduce the risk of damage to the electric plug and cord, pull the plug rather than the cord when disconnecting the device.
• Do not operate the device with a damaged cord or plug, or a damaged output cable.
• Do not disassemble the device; take it to a qualified service person when service or repair is required. Incorrect reassembly may result in a risk of fire or electric shock.
• To reduce the risk of electric shock, unplug the device from the outlet before attempting any instructed servicing.
WARNING - RISK OF EXPLOSIVE GASES.

- The device shall be stored indoors and protected from the elements;
- The unit shall not be charged outdoors;
- When in use, steps should be taken to reduce the exposure to rain, sleet, snow, and the like.
- Do not overcharge the internal battery.
- This product is suitable for use in home, office, household workshop or garage. Do not operate in rough environment such as repair facility.

WARNING - To reduce the risk of injury, do not stare directly into the flashlight when it is on. Serious eye injury could occur.

- Do not touch or hold the flashlight by the lens or the top of the flashlight. To reduce the risk of injury, only handle the flashlight by the handle and casing.

FCC COMPLIANCE STATEMENT

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions:
1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications or change to this equipment. Such modifications or change could void the user’s authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
WARRANTY

TYPE S
LIMITED WARRANTY

TYPE S warrants, to the original purchaser, that its products are free from defects in material and workmanship for 1 year from the date of original purchase. Where permitted by law, TYPE S liability shall be limited to that set forth in this limited express warranty. This limited express warranty shall be the exclusive remedy of the purchaser and TYPE S makes no other warranty of any kind aside from the limited express warranty stated above.

Note: Warranty only applies for North American customers of purchases made in North America.

CONDITIONS OF WARRANTY

If during the 1 year warranty period your new product is found to be defective, TYPE S will repair such defect, or replace the product, without charge for parts or labor subject to the following conditions:

1. All repairs must be performed by TYPE S.
2. All warranty claims must be accompanied by a copy of the sales receipt or bill of sale.
3. The equipment must not have been altered or damaged through negligence, accident, improper operation, or failure to follow the product instructions for installation, use, or care.
4. The replacement of parts is excluded from the warranty when replacement is necessary due to normal wear and tear.
5. Repair or replacement parts supplied by TYPE S under this warranty are protected only for the unexpired portion of the original warranty.
6. This is a “repair or replace” warranty only, and does not cover the costs incurred for the installation, removal or reinstallation of the product, or damage to any mobile phone device or vehicle.

This equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment.
