- **LEDs:** 6 x 5050 RGB

**Operation**

**Important Safety Instructions**

1. **Save these instructions**—This manual contains important safety and operating instructions for cigarette lighter adapter of Model LM58381.
2. Before using cigarette lighter adapter, read all instructions and cautionary markings.
3. Do not expose charger to rain, moisture, or snow.
4. Use of an attachment not recommended or sold by the cigarette lighter adapter manufacturer may result in a risk of fire, electric shock, or injury to persons.
5. To reduce risk of damage to cigarette lighter adapter and cord, pull by cigarette lighter adapter rather than cord when disconnecting charger.
6. Make sure cord is located so that it will not be stepped on, tripped over, or otherwise subjected to damage or stress.
7. Do not operate product with damaged cord or cigarette lighter adapter — replace it immediately.
8. Do not operate cigarette lighter adapter if it has received a sharp blow, been dropped, or otherwise damaged in any way; take it to a qualified serviceperson.
9. Do not disassemble the product or cigarette lighter adapter; take it to a qualified serviceperson when service or repair is required. Incorrect reassembly may result in a risk of electric shock or fire.
10. To reduce risk of electric shock, unplug cigarette lighter adapter before attempting any maintenance or cleaning. Turning off controls will not reduce this risk.

**Note:**

- For use with 12V power only.
- Suitable temperature for installation is 70°F (21°C) or above.

**Warning**

- Do not install or use product if it, in any way, impairs the safe operation of your vehicle. Follow manufacturer's instructions to ensure the product is properly & safely installed. Neither the manufacturer nor the reseller can be held responsible or liable for consequential, incidental, or indirect damages to either person or property resulting from the installation or improper use of this product. Check your state or provincial laws before installing.

This product is not DOT approved and is designed for intended use only (for interior cabin). Not for use in extreme temperature such as under hood applications.

This product is intended solely for decorative purposes. Check local laws and regulations regarding installation and use. Manufacturer and seller assume no liability for improper installation or use, which are solely the responsibility of the purchaser.
