Refrigerant:	R600a

Freezer Specifications

Number of Freezer Flaps:	2
Ice Maker Type:	Twist & Serve
Freezer Compartments:	5
Number of Glass Shelves:	4
Quick Freeze:	Yes

Dimensions & Weights

Unpackaged Height:	1714 mm
Unpackaged Width:	595 mm
Cabin Depth:	590 mm
Depth(incl. Doors):	650 mm
Depth(incl. Handles):	720 mm
Unpackaged Weight:	70.2 kg
Packaged Height:	1794 mm
Packaged Width:	665 mm
Packaged Depth:	730 mm
Packaged Weight:	72.6 kg

Ean Code:	8690842176081
Manufacturers Warranty:	2 Years + 3 Years by Registration
Pigeon Pair:	with Model BAF369W

Launch Date: October 2019

BVF290W

290 L White Frost Free Freezer

No Frost - We understand that defrosting the ice build-up in your freezer is a time-consuming and frustrating job. That's why our range of freezers offers Frost Free technology which automatically defrosts the freezer so you don't have to.

Reversible Doors - If you're restricted on where you can place your appliance in your home, the reversible doors on this model offer a convenient solution.

Eco Mode - When the refrigerator doors are not opened for 6 consecutive hours and the setting are not altered, Eco-Fuzzy Function puts the refrigerator in energy-saving mode, decreasing the electricity consumption and causing less hazardous effect on the environment.

Freezer Guard - Whether you need to place your freezer in your garage, your outbuilding, or anywhere else in your home, our Freezer Guard technology ensures your freezer will always function properly, keeping your frozen food frozen whatever the outside temperature - even if it drops to as low as -15°C.

Quick Freeze Function - Ideal for locking in your food's vitamins and nutrients, the fast freeze setting in the top compartments of our freezers freeze your food 10% faster than the other shelves.
