INTERIOR LED LIGHT

**Frost Free** | The CHI Q Frost Free feature maintains the correct internal temperature for more effective food preservation meaning there is no need to manually defrost the unit.

**Multi Air Flow** | The system ensures chilled air reaches each shelf quickly and uniformly to ensure the food will stay fresher for longer.

**Electronic Temperature Control** | Inner Electronic Settings can be adjusted for optimal control of temperature and humidity, allowing food longer lasting freshness.

**Fast Cool** | Fast Cool mode quickly seals the freshness of stored items.

**Reversible Door** | This item comes as Right Hand Door opening. The design allows you to change to Left Hand opening if that best suits your needs. The installation kit to change the door is included.

**Interior LED Light** | LED lights are energy efficient and reduce heat output and provide lighting for a better internal view of your contents.
