**Frost Free** | The CHI Q Frost Free feature maintains the correct internal temperature for more effective food preservation meaning there is no need to manually defrost the unit.

**Multi Air Flow** | The system ensures chilled air reaches each shelf quickly and uniformly to ensure the food will stay fresher for longer.

**Electronic Temperature Control** | Inner Electronic Settings can be adjusted for optimal control of temperature and humidity, allowing food longer lasting freshness.

**Fast Cool** | Fast Cool mode quickly seals the freshness of stored items.

**Tempered Glass Shelves** | Elegant in appearance, safe to use and easy to clean. With plenty of bracket options, the shelves can be adjusted to allow maximum use of the internal space.

**Interior LED Light** | LED lights are energy efficient and reduce heat output and provide lighting for a better internal view of your contents.
