**Inverter System** | The CHI Q super-efficient inverter system is quieter than traditional compressors, and also keeps your food fresher for longer, which saves on energy consumption.

**Frost Free** | The CHI Q Frost Free feature maintains the correct internal temperature for more effective food preservation meaning there is no need to manually defrost the unit.

**Multi Air Flow** | The system ensures chilled air reaches each shelf quickly and uniformly to ensure the food will stay fresher for longer.

**LED Display with Control** | The LED digital temperature display and electronic controls ensures the optimum control of the fridge and allows for seamless setting adjustments for different modes.

**LECO System** | Abnormal odors and microorganisms are dissolved by the CHI Q LECO System which also discharges natural CO<sub>2</sub> & H<sub>2</sub>O material to actively eliminate bacteria.

**Fast Freeze** | Fast Freeze mode quickly seals the freshness of stored items.

**Door Alarm** | The door will ring after being opened for a period of time to remind you to close the door.

**Non-Plumbed 4L Water Dispenser** | Simply fill the internal 4 Litre water tank and enjoy ice-cold water through the Water Dispenser without the high cost of plumbing.

**Interior LED Light** | LED lights are energy efficient and reduce heat output and provide lighting for a better internal view of your contents.

**Holiday Mode** | Switch the fridge section to low energy use Holiday Mode when you're away to save on energy costs.
