

Efficient cleaning, now effortless. Bagless vacuum cleaner built to filter dust effectively. Clean easily with great performance.

RRP AUS \$249.00

Product Details

FEATURES

Dual Cyclone technology

4-step filtration

1.8L Capacity bin

Easy Empty™ system to dispose of dust quickly and easily.

BENEFITS

Dual cyclone technology

Dedicated cyclones to separate large and fine particles, which results in better performance, less clogging and less maintenance of filters.

4-step filtration

Our bagless vacuum cleaners 4-step system effectively separates dust & dirt for a deeper clean.

Easy emptying

Single button release to carefully dispose your dust in an effortless way.

Clean more in one go

Vacuum longer without having to empty the dust bin as often thanks to the large 1.8L capacity bin.

Large wheels for better stability

Large rotary wheels prevent the vacuum cleaner from getting obstructed, meaning improved stability around the home.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
