

Well A5 Air purifier with 4 stage filter for rooms up to 26m²
RRP AUS \$649.00

Product Details

FEATURES

Four-step filtration

360-degree air Intake

Light weight

Beauty with purpose

Low noise level

Connectivity

BENEFITS

COMPLETE AIR QUALITY

A four-step air purification system captures up to 99.98% of particles as small as 2.5 micrometer (PM2.5) in size*. *Based on tests conducted by GTT Laboratory in Nov 2020 according to GB/T 14295-2008 standard.

CLEANER AIR IN MINUTES

The advanced air flow system features 360-degree air intake which, while covering the edges of the front panel, offers more effective and faster air distribution to clean the air in your room in minutes. Based on internal tests per ANSI-AHAM AC-1-2015 standard in Sep2020.

SO PORTABLE. SO ADAPTABLE.

So lightweight it can be carried with one hand by its handle, the unit can stand on the floor on its two legs, or easily be wall mounted to save floor space and facilitate cleaning. A choice of fabric covers, by world-renowned Danish textile manufacturer, Kvadrat, allow customisation* to various interior design styles and personal tastes. *Customised accessories sold separately.

PART OF THE FURNITURE

With the functional beauty of Scandinavian design, Electrolux creates an air purifier that fits seamlessly into your home while enhancing your life with clean air. With its distinctive aesthetic and versatile fabric design, the unit resembles a stylish piece of furniture rather than an appliance.

CLEANS AIR QUIETLY

The gentle, barely perceptible noise level (24 dBA) is comparable to the sound of soft rain* so it won't intrude on your quiet relaxation at home. **Noise pressure at lowest fan speed; measured at 1 meter in front, according to ISO 3741.

YOUR AIR QUALITY ASSISTANT

Whether you're at home or on the go, monitor and optimise your indoor air quality using our connected app. You can automatically start the air purification process, check progress, and easily adjust your preferences remotely. Simply sit back, relax and let your air purifier do the rest.

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
