

**With a Powerful 21.6V, three power settings and exceptional run time, it's everything you need for your everyday cleaning needs.**

## Product Details

### FEATURES

---

**BrushRollClean™**  
for effortless and tangle free  
cleaning at the press of a  
button

**Filtration 5-step**

**Onboard accessories**

**Low weight maneuverability**

---

**Axial cyclonic system**

**Grab & Go charging station**

---

### BENEFITS

---

#### A HEALTHIER HOME

The highly efficient, sealed 5-step filtration system removes up to 99.9% of dust particles\* to help keep your home hygienic and healthy.\*Particles sized 0,3 m-10 m.Measured according to EN 60312-1:2017.

#### ACCESS ALL AREAS

No one enjoys rummaging vacuum for accessories in the cupboard. Accessories and attachments are conveniently stored onboard the vacuum so that you can easily adapt when you need to clean hard-to-reach areas.

---

#### THE VACUUM THAT CLEANS ITSELF

Forget pulling tangled hair and fibres from your vacuum cleaner brush. Let the patented BrushRollClean technology do the job by just pressing the pedal for 5-10 seconds whilst the vacuum is on. The internal blade cuts the hair and fibres which are then sucked into the dust container to maintain performance without manual cleaning.

#### LIGHTWEIGHT MANEUVERABILITY

This vacuum cleaners ultra-low weight ensures comfortable cleaning with easier maneuverability.

---

#### SUSTAINED SUCTION POWER

Cyclonic system separates dirt from air, which enables the vacuum to maintain full performance and suction throughout the whole cleaning process, even while the dust container fills up\*.\*Measured with dust container filled with DMT dust (standard test dust), according to IEC 5.1, 5.7 and 5.9 at maximum power.

#### READY WHEN YOU ARE

With Grab & Go you can quickly and conveniently vacuum up mess when you need to, for urgent clean ups or at your leisure, with no assembly required.

---

# Terms and Conditions

## IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

## PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

## WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
