### BENEFITS

---

Lithium TurboPower  
Ergorapido features high performance Lithium TurboPower  
battery for optimal cleaning performance and longer run time  
(up to 35 minutes on low speed). The LED battery indicator  
shows when its time to recharge.

BrushRollClean™ technology  
Our unique BrushRollClean™ technology saves you the trouble  
of having to clean the brush roll with your hands or scissors.  
An internal blade removes entwined hairs and fibres before  
they are vacuumed into the dust cup, all with the push of a  
button.

---

Easy to use  
The 180-degree swivel nozzle means smooth turning and  
manoeuvrability on all floors. With an ergonomic design and  
low centre of gravity, this lightweight vacuum cleaner is very  
easy to use.

Ultimate 2-in-1 flexibility  
With Ergorapido there is no limit to where you can clean. Its  
flexible 2-in-1 design with a detachable handheld unit lets you  
clean areas above the floor such as countertops, furniture and  
hard to reach places.
