KEY FUNCTIONS

14 PLACE SETTINGS

- + With 14-place settings the EED614TBK provides results with greater flexibility allowing you to select the correct setting for your dish-washing requirements.

SIMPLE ELECTRONIC PROGRAM CONTROLLER

- + The EED614TBK dishwasher operates via an electronic push button control. You can select your preferred program by using the rotary knob on the top left of the front panel.

8 WASH PROGRAMS

- + The EED614TBK dishwasher provides you with the choice of 5 different wash programs to ensure you can select the type of wash which best suits whether it be a few dirty dishes to after a large dinner party.

INSTALLATION

Installation is recommended by a qualified installer, please refer to the product manual for full installation instructions.

FILTER CLEANING INFORMATION

Drain pump filter: requires cleaning monthly. This will ensure no interruptions with the dishwasher operation.
