

Dishwasher Specifications

Model **HSCE14FS**

Type description

Free standing

Colour

(FS) Stainless Steel

PERFORMANCE

Energy rating	Star	3.5
Water rating	Star	4.5
Comparative energy consumption	kWh/ year	275
Energy consumption	kWh/ cycle	0.737
Water consumption	L/ year	4635
Water consumption	L/ cycle	12.7
Standby On consumption	W	0.49
Standby Off consumption	W	0.45
ECO program duration	min	183
Left On mode duration	min	15
Place settings		14
Noise level	dB	49

DESIGN

Control panel type		Touch control
Control panel colour		(FS) Silver / (FB) Black
Logo		Hisense
Buttons colour		Black
Door type		Free standing
Door colour		(FS) Steel / (FB) Black
Door frame		No
Plinth type		Free standing
Plinth colour		(FS) Steel / (FB) Black
Hinges		Normal
Adjustable feet		Yes
Feet height adjustment	mm	50
Side panels/ colour		(FS) Steel / (FB) Black
Top type		Flat cover
Top colour		(FS) Silver / (FB) Black
Back cover material		Polypropylene

CONTROLS

Control unit type		Microprocessor
Programs selection		Touch control
Programs indication		LED white display
Number of washing temperatures		8

Wash water temperature range	°C	40 to 70
Rinse water temperature range	°C	40 to 75
Number of buttons		6
On / Off button		Yes
Start / pause button		Yes
Program button		Yes
Delay time button		Yes
Alternative functions button		Yes
Child lock		Yes
Automatic door open button		No
Visual signal at end of program		On display
Audible signal at end of program		Yes

PROGRAMS

Number of programs		8
Intensive (Duration, Wash temp, Rinse temp)	min, °C, °C	160, 65, 75
Eco	min, °C, °C	183, 50, 40
1 Hour	min, °C, °C	60, 60, 60
Quick	min, °C, °C	30, 40, 45
Pre-wash	min, °C, °C	8, -, -
Auto	min, °C, °C	120 to 190, 45 to 55, 65
Glass	min, °C, °C	125, 42, 60
Hygiene	min, °C, °C	150, 70, 75

Basket colour		Gray
Basket configuration (Top to bottom)		Cutlery, Upper, Lower
Upper basket foldable cup holders		Yes
Upper basket positioning		Adjustable empty
Foldable plate holders (Upper basket, Lower basket)		Upper basket: 0 Lower basket: 2
Cutlery basket		Yes

CHARACTERISTICS

Lower spray arm material		Plastic
Top spray arm material		Plastic
Filter type		Plastic and steel
Rinse-aid dosing		Electronic
Anti flood water supply hose (AquaStop)		No
Inlet hose length cm	cm	150
Drain hose length cm	cm	140
Motor type		Two-speed
Water diverter valve (Dual Zone)		Yes
Heating element		Concealed
Water sensor		Yes
Total Dry (door opens at end of cycle)		No
Water supply		Cold
Power supply		220-240 Vac 50Hz
AC power plug type		IEC type I (Australia)

**Specifications subject to change at any time.*

Net weight (net/ gross)	kg	42.5
Net dimension (WxHxD)	mm	598 x 845 x 600

OPTIONS

User interface		Touch control
Automatic door opening		No
Anti syphon (backflow prevention)		Yes
Status lights		Illuminated icons
Washer interior light		No

DOCUMENTS

User manuals		Yes
Installation instructions		Yes
Warranty statement		Yes
Service spare parts		Yes
Service manual		Yes
Detergents sample		Yes

PACKAGING

Packaging dimension (WxHxD)	mm	645 x 890 x 645
Weight with packaging (Kg)	kg	49.5
Packaging material		Carton Box
