91L Black Glass Mini Fridge with Built-In Freezer Compartment

Signature Features

Mirror Effect & Practical Design

• Black glass door adding modern look to any kitchen design or concept. Ideal for dorms, offices, bedrooms, RVs, and garages.

Deep Vegetable Crisper & Detachable Shelf

• Telescopic drawer to keep the freshness of stored items for longer.

Energy Efficient & Quiet Operation

• Rated 3.5 Star in energy efficiency. R600a compressor is highly efficient and low energy consumption. Energy efficient LED light for better visibility in all corners of the fridge.

Sub-Tropical (SN/N/ST) Rating

• 7 temperature settings ranging from 2-8°C, mini fridge is rated for use in sub-tropical conditions to stay cool in the Australian climate.

Mechanical Temperature Control System

• Ease of use with innovative design. Adjust for optimal control of temperature allowing food longer lasting freshness.

Important: The temperature of the freezer is affected by the temperature settings of the cooler. Select the most beneficial temperature setting to keep the food fresh while saving money on electricity.
