445L Cross Mirror Door Fridge/Freezer

Signature Features

Sleek & Seamless Mirror Door
• Adding a touch of sophistication and style, the reflective properties of the mirror make the kitchen look larger and brighter

Fast Cool & Fast Freeze Mode
• Enjoy quick cooling performance at the touch of a button. Fast Cool blows intensely cold air into the fridge to help quickly cool groceries or drinks, while Fast Freeze delivers a fast blast of cold air into the freezer.

Intelligent Mode
• Intelligently adjust the fridge temperature in accordance with the ambient temperature variations

No Frost Technology
• Saving time and hassle, No Frost technology prevents ice build-up by constantly circulating air, so there's no need for manual defrosting while also preventing the spread of bacteria

Inverter Compressor
• Inverter technology saves up to 70% on your energy bills, making your refrigerator highly energy efficient

Deep Vegetable & Fruit Drawers
• Telescopic drawers to keep the freshness of stored items for longer

Smart Electronic Temperature Control Display System
• Adjust for optimal control of temperature of the refrigerator and freezer without opening the door, allowing food longer lasting freshness

Eco Friendly LED Lights & Technology
• Energy efficient LED lights for better visibility in all corners of the fridge

Tropical (SN/N/ST/T) Rating
• Rated for use in tropical conditions to stay cool in the Australian climate
